

ART.NUMBER**DETAILS**

G00100892

VT3936 + ZBV 25000Zv

Vredo VT3936 + ZBV 25000Zv

- Machinenummer Trac: 0109.051
- Machinenummer Trailer: 2165.018
- Year of construction: 2008
- Hours: ±10.200
- Tires: 5%
- Tirepressure inflation system
- Trimble FMX RTK

VT 3936 self propelled trac is equipped with:

- Engine Deutz 286 kW / 390 HP Watercooled COM II
- Transmission mechanical-hydraulic stepless 0 - 40 kph at 1.500 rpm Engine speed with automatic drive
- computer
- Fueltank 500 liter
- Suspended SUPERComfort Vredo cab, incl. airco and radio with CD player
- Airsuspended Grammer Maximo supercomfort seat
- Passenger seat
- Electrical adjustable and heated mirrors and wide angle mirrors
- Steering Frontwheel-, fourwheel- and Crabsteer
- Suspended frontaxle with automatic levelling and shock absorber
- 1 Closed system hydraulic pump, 150 l/min, 400 bar
- 2 LS-Pumps, 160 l/min, 200bar tbv. auxilliary functions, pressure compensated valves
- Camera- monitorinstallation with LCD colourdisplay and sound
- Reardrive alarm
- 2 rotating beacons on cab roof

TANK TRAILER ZBV 25000Zv

- Tank capacity 25m³
- Vogelsang displacement pumpVX186-390QD with spiral plungers
- Reverse option on slurry pump operated by button in cabin
- Slicing filter FT5100
- Top positioned hydraulically operated suction arm 8"
- Turbopump in in suction arm for more reload capacity
- Electric/hydraulic operating
- Slurry computer which enables perfect dosing independent of speed
- 3 different working widths pre-programmed for slurry injector
- Pump automatically switches off when full
- 3-point double working rear linkage, torsion suspended and fitted with applicator suspension.
- Actively controlled linkage; under pressure following, lifting or pressing, set from cabin
- Fitted with automatic lubrication system
- Rotating beacon on rear of trailer
